REVIEW OF OPERATIONS

During the year under review the performance of the company is quite satisfactory. The has achieved the Net Sales of Rs.22775.78 Lacs and booked the net profit revenue of Rs.195 Lacs.

MANAGEMENT REVIEW: 2015-16

INDIAN PAPER INDUSTRY SCENARIO

The Indian paper & paper board industry is estimated to have grown at a CAGR of 7% during last 5 years to approx Rs 147 lakh tons. The segment wise break up and usage of paper & paper products in India is Writing & Printing Paper 31%, Packaging and Paperboard around 49%, Newsprint 18% and Speciality and other paper only 2%.

The Indian paper industry continues to remain fragmented in nature. The average price utilization across all the sectors continued to improve in the last five years. The industry is expecting demand revival for writing and printing paper and paperboard segment in the coming years due to continued focus of the government on education, increased penetration of organised retail in rural sectors, urbanisation and higher growth in the processed food industries, FMCG, Pharmaceutical industry and other related industries.

Newsprint demand is expected to grow at a healthy pace over the next couple of years, driven by demand for vernacular newspapers, increasing literacy in the rural areas and with the increasing government spending on infrastructure the tender advertisement is set to increase in the print media leading to rise in the number of pages per newspaper. The per capita consumption of paper in India is a mere 12 kg in comparison to world average of 57 kg. The growth of paper industry is directly correlated to the growth in the economy, with the Indian economy expected to grow at a healthy pace, the paper industry will perform better in the coming years.

FUTURE OUTLOOK

The passing of GST amendment legislation in the parliament and its implementation in the next financial year is anticipated to have a positive effect on the GDP of the nation; GST is also poised to remove the trade barriers caused by individual state taxation. The growth prospects of paper & paper board industry are closely aligned with that of the economy in

general and the growth in paper industry has historically followed the national GDP growth rate. The company is located centrally and equidistant from major markets. Therefore, the implementation of the GST act may open new frontiers and possibilities for the company.

In keeping with the industry growth trends and share of segments in the paper and paper products industry, the company has focused on increasing the production of packaging and paper board segment. The company has been adopting its product portfolio to compete in emerging market conditions. The packaging paper is the largest segment of the Indian paper and paper products industry and is likely to grow at a CAGR of about 9%, the highest among all the segments. The company is focusing on the production capacity of its Kraft division by smoothening the production process with minimum capex and correspondingly shown the revenue growth in this segment during the past financial year.

The increased focus on education by the government and increase in the general level of literacy and continued demand from print media will further add to the growth prospects of the Newsprint Division. . The Newsprint segment of industry is expected to grow at a CAGR of 5% in the coming years. The company continues to focus on the long term and it continues its drive for sustainable growth.

In the past years industry witnessed overall declining trend in capacity utilization. Many small manufacturing units who were unable to compete have either completely or partially stopped running their capacities. There has been very few new capacity addition in the Newsprint and writing and printing paper segments, only packaging paper and board segment has seen some new capacity addition. But the new capacity addition has also been set off by closure of small manufacturing units. The capacity utilization of the industry is expected to rise in next couple of years with lower capacity addition and increase in demand. The company has withstood the turbulent years and we hope to consolidate our position in the coming years.

INTERNAL CONTROL SYSTEM:

Your Company has adequate internal control procedures commensurate with the size and nature of business. There is a periodical review mechanism for ensuring the sustenance and upgradation of these systems.

THREATS, RISKS AND CONCERNS:

- Availability of raw materials.
- Cyclical nature of the paper industry.
- The import duty structure of Newsprint.
- The increased focus of the Government on environment protection.

OPPORTUNITIES & STRENGTHS:

- Increasing trend in use of environment friendly packaging of all type of goods.
- Increasing trend in organized retail and e-commerce sales casting positive impact on the packaging industry.
- Increasing awareness and education in the rural economy, higher literacy at national level will lead to higher circulation of newspapers.
- The environment protection measures taken by Govt. and promotion of bio degradable packaging is leading to newer avenues for paper packaging, earlier catered to by other industries.
- Decisive Central Government is working on ease of doing business, spending on education and general infrastructure with special focus on Education and healthcare. The growing Indian economy will create more demand for paper.

- Government initiative to make available cheap and reliable electricity, Lower cost of fuel in the world economy with advent of newer source such as shale gas and emphasis on solar power will support the power intensive paper industry.

CORPORATE SOCIAL RESPONSIBILITY:

The Company is not required to constitute CSR Committee as per the provisions of Section 135 (1) of the Companies Act 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MALU PAPER MILLS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MALU PAPER MILLS LIMITED**, which comprise the Balance Sheet as at 31st March 2016, the Statement of Profit and Loss for the year & the cash flow statement for the year then ended on 31st March 2016, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance & cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MALU PAPER MILLS LIMITED as of 31 March, 2016, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

The Company is in process of compiling the policies for internal financial controls with respect to maintenance of records, authorization by appropriate authority for material transactions, check against unauthorized, acquisition/use/disposition of company's assets, and utilization of equity and borrowed funds, prevention and detection of frauds and errors, the accuracy and completeness of accounting records and the timely completion of reliable financial information etc. The company is streaming to lay down controls with respect to the above. We further invite attention to the fact that during the concerned financial year the company was not subject to internal audit.

In our opinion, the adequacy & effectiveness of the internal control systems over financial reporting as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India can be evaluated, once the controls have been properly implemented.

Note 1 : STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

a) **System of Accounting :-**

The Financial Statements of the company have been prepared in accordance with the accounting principles generally accepted in India (Indian GAAP) and are in line with the relevant laws as well as the guidelines prescribed by the Department of Company Affairs, Ministry of Law, Justice & Company affairs & The Institute of Chartered Accountants of India..The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of financial statement are consistent with those followed in previous year.

b) **Use of Estimates :-**

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities, including the disclosure of contingent liabilities (if any) as of the date of the financial statements and the reported incomes and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could vary from those estimates. Any revision to accounting estimates is recognized in the period in which the results are known / materialized.

c) **Fixed Assets :-**

Fixed Assets are carried at cost. Cost is inclusive of freight, duties, levies and any directly attributable cost of bringing the assets to their working condition for intended use and after providing for Cenvat Credit and VAT Credit.

d) **Depreciation :-**

Depreciation on Fixed Assets is provided using Straight Line Method on the basis of useful life of assets as specified in Schedule II of the Companies Act, 2013 and is provided on pro rata basis on the assets acquired during the year.

e) **Impairment of Assets :-**

The carrying amounts of assets / cash generating units are reviewed at each balance sheet date if there is any indication of Impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the pre tax weighted average cost of capital.

f) **Inventories:-**

Inventories comprising of raw materials, stock-in-progress, finished goods and consumable stores. Inventories are valued at cost or estimated net realizable value after providing for obsolescence and other losses, where considered necessary. The cost of inventories comprises of all cost of purchase, cost of conversion and other cost incurred in bringing inventories to their present location and condition. In the case of raw materials, stores and spares, and finished goods, cost is determined on the First-In-First-Out (FIFO) basis.

g) **Sales:-**

(1) Sales of goods are recognised when goods are supplied in accordance with the terms of sales and are recorded inclusive of duties and taxes.

(2) Sale of Carbon Credit and Interest Income are recognised on accrual basis.

h) **Borrowing Costs :-**

Borrowing costs include interest and bank charges. Borrowing costs are capitalized as a part of the cost of qualifying asset when it is possible that they will result in future economic benefits and the cost can be measured reliably. Other borrowing costs are recognized as an expense in the period in which they are incurred.

i) **Taxes on Income :-**

Income tax expenses for the year comprises of current tax and deferred tax. Current tax provision has been determined on the basis of relief and deduction available under the Income tax Act-1961.

Deferred tax Assets is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal is one or more subsequent periods.

j) **Investments:-**

Long term Investments are valued at cost. These are classified as non Trade Investment.

k) **Retirement Benefits :**

Provisions for / contributions to retirement benefit scheme are made as follows :

a) Provident Fund on actual liability basis.

B) Liability in respect of future payment of Gratuity to retiring employees is provided on the accrual basis on estimation at the end of each financial year.

l) **Foreign Currency Transactions :**

Foreign Currency Transactions are accounted for at the rates prevailing on the dates of the transactions converted at contracted rate.

m) **Earning Per Share :-**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

n) **Provisions, Contingent Liabilities and Contingent Assets :-**

A provision is recognized when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the company or (ii) Present obligation arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.
